Re: MB Docket No. 04-233

Dear Ms. Dortch:

I represent Child Care Resource and Referral, Inc. (CCR&R) which is a non-profit agency located in Rochester, MN. For over 35 years, CCR&R has worked in our community to ***ensure positive beginnings for all young children and their families.*** CCR&R is a resource for parents, child care providers and community members for all aspects of early childhood.

CCR&R has worked closely with our local television station, KTTC, over the years to share information about early childhood with our community. KTTC has interviewed CCR&R staff when local and national news stories are related to our areas of expertise. KTTC has also developed video PSAs to help advertise fundraising events that help fund our mission. KTTC has even done a live broadcast at one of our biggest public awareness events, Family Fun Night.

KTTC is committed to its community and providing public service. It is not necessary for the FCC to direct KTTC to air local matter and programming or to dictate how KTTC communicates with CCR&R and other local leaders and organizations.

Respectfully submitted,
